PRIMARY ELECTION .- O 1 Monday next the conservative primary election takes place. The polls will be opened at the usual voting places in each ward at suprise and closed at supset. -The names of the various candidates will be found in another column of the Gaz tte. The fore announced, and only those who come within the provisions of the rule laid down by the conservative committee will be allowed to vote. -This rule will be found in the proceedings of the committee, published elsewhere. The can didates and their friends are very active, and it is expected that a large vote will be polled.

CONSERVATIVE COMMITTEE. - The couserva tive committee met again last night at the Sun engine house together with the judges of the primary election, and the colored conservatives of the city who desire to participate in the pri mary election. Mr. Latham being absent Mr. J. T. Beckham presided.

A letter was handed to the committee from Mr. E. L. Brockett, stating that he was in Petersburg, and would not return to the city in time to act as judge of election on Monday.

The committee, therefore, appointed Mr.

French Smoot judge in place of Mr. Brockett. and Mr. E. S. Brockett clerk in place of Mr.

The chairman then read to the judges the resolution passed by the committee at a former

meeting, Viz: "That none but known conservatives will be permitted to vote at the conservative primary election, and only such as are qualified voters, and are properly registered in their respective wards. All who voted in the general election want of such articles would do well to attend. in May, 1877, and such as have become of age or paid their capitation tax since May, 1877, and who are known conservatives, will be considered proper persons to vote and none others."

The judges were cautioned to remember that they were judges under the suspices of the committee, and their first duty was to determine whether or not the persons offering to vote were such as were embrac d in the resolution above, and it so to receive their votes, but it was stated that this did not allude to the colored voters. A list of such of them as the committee intended to allow to vote would be lef with the judges at each of the wards. The judges were instructed to open the polls at sun

rise and close them at sun set, and to make their returns to the committee on Tuesday morning, when a canvass of the votes would be had by the committee and the result declared. A question was then asked if any colored person other than those whose names were on the list handed in would be permitted to vote it vouched for by a candidate, to which the committee replied that none would be perm t ted to vote, except such as w re on the list pre pared by them, for if the gates were once opened they could not be closed again during the day. All applications for such as are not in the list must be referred (if made at all) directly to the committee, who might grant perm s iou, if they considered the claim to vote, a just one. The committee then took up the list of the colored conservative cur whose names had been handed in to them as being conservarives, a very few of whom were present to ans wer for themselves. The committee went through the list pretty thoroughly, and after consultation permitted the following to vote on Monday nex: First ward, Edward Evans. Chas. W. Brown and W. H. Jines; Second ward Edward Carter, Larken Lighthoot and W. H. Morgan; Third ward, R B H pkins, T. E. Dulaney, Jao. Thornton, Henry Jones, John Lane, W. H. Lincoln, Stencer Pinkwood and Edward Baker; Fourth word, Mr S. Robinson, Hill Jones, John Dalancy, Jao. T. Whiting, E iss Cross and I-a c N rris-; and the following were permitted to vo e who are not members of the club, but who are en dorsed by responsible gentlemen: First ward, Thomas Robey, D. vid Middleton, Jao Credit, Ephram Lee and John Morter; Second ward, Alexius Baker, Horace Grav. Fra. k Payton. Alexius Baker, Horace Gray, Frank L. Johnson, Roxlina Frank Pinkney and Jas, Washington; Third Johnson, Roxlina Wallis, John Ward, John Donnell; Fourth word, Henry Lee, Strother Morten and James Johnson.

Strother Morten and James Johnson.

Wilson, Mrs Annie S Wallis, John Williams, John Williams, John Williams, John Williams, John WM. N. Berkley, Postmaster.

The action of the committee seem to meet the approval of the candidates, or at least a large proportion of them. Certainly they have no individual interest in the matter, and all they have done has been what they considered best for the interest of the Conservative party, whose servants they are.

TO THE VOTERS OF ALEXANDRIA - ome friends have seen proper to announce me as a candidate for the office of Superintendent of Gas, and as I do not intend to annoy you by making a personal canvass, I take this method of asking your support. My object is to secure the nomination and in announcing myself I only exercise the right of every citizen. I call on my friends to vote for me, and not be

influenced by any such reports. ORLANDO WOOD A CARD -It being currently reported that I am to be Deputy Serg ant in case of the election of Mr U. M. Mouroe as Sergesnt, I desire to inform my "friends," and all others, that I would not accept any such position. "The

From Washington. SPECIAL TO THE ALEXANDRIA GAZETTE. WASHINGTON, D. C., May 11. SENATE.

The Senate was not in session to day, having adjourned yesterday till Monday.

HOUSE OF REPRESENTATIVES. In the House of Representatives, reports from committees were made.

A substitute for the bill in relation to the Venezuela awards was recommitted. The Senate amendments to the bill to dis-

tribute arms to the Territories, were concurred in. A bill amending the laws in relation to the

sale of timber lands in certain territories was A bill to donate certain public lands to adult settlers and giving government aid to destitute

settlers was reported and referred to the Committee of the Whole. Two or three bills in reference to public lands

in certain territories were passed. A resolution calling for information as to what fraudulent claims have been allowed by the Secretary of the Treasury since June 1874,

was of j cted to and went over. A bul to regulate inter State commerce was then taken up and discussed by Messrs. Bragg, R gan and others.

After the ebulition in the House, yesterday, there was a comparative calm to-day, though the effects of the storm were perceptible, the 'scene" being the sole subject of conversation, and an "offish" feeling plainly observable. White, who, it appears, was a prisoner during the war, and in whose breast rankles the venom of sectional hate, was walking around soliciting the approval of his colleagues, evidently highly elated at the exhibition he made of himself yesterday. He has heretofore been looked upon as anything but "bright," and his little "spurt," it is thought, will have a bad effect upon himself, as well as upon the future proceedings of the House, as he will be apt to "show" himself quite often-being one of that kind.

Clarkson Potter has returned from New York, where he has been in consultation with Mr. Tilden, and expectation is on tiptoe in ref erence to the Presidential fraud.

### The Indians.

NEW YORK, May 11.-Advices from Sioux City to May 7, state that Chas. Louis, better known as Mountain Charley, a well known Indian scout, just returned from Sitting Bull's camp, reports 1,500 warriors, chiefly Spotted Tail and Red Cloud Indians, in camp, who are tired of this peaceful life. Louis says that Sitting Bull "swears up and dowo" that as soon as the proper season arrives, which is about the 15th of the present month, he will the attempt. He expressed his intention to strike the Tongue river by the most expeditious route from his present location and then operate through the country in which he became famous during the Custer expedition of 1876 He has an abundance of ammunition, and his entire force is supplied with the best and most bounded faith in the skill and prowess of his warriors and expresses his confidence in his abil United States troops with whom he expects to come in contact, and affects to regard with contempt the resistance they will be able to make to his movements.

FORT LEAVENWORTH KAN., May 11 .- An order was received here to day from the division headquarters countermanding the order to re move the U e Indians to New Mexico. Every thing was to readiness to start when the order was received, and the trains for transportation, the baggage and horses were being loaded. The organization was at once disbanded, and the soldiers sent back to their regiments. The horses will be returned to Rock Island and everything will remain in statu quo awaiting the action of Congress.

#### The Attempt to Assassinate the Emperor of Germany.

LONDON, May 11, 5 p. m.-A dispatch to Reuter's Telegraph Company from Berlin says: At 8:30 o'clock, this afternoon, as the Emperor Wilhelm was returning from a drive with the Grand Duchees of Baden, several shots from a revolver were fired at him in Avenue Unter Den Lunden. Nobody was hurt; the person who fired the shots was arrested, as was also an accomplice, who attempted to rescue him.

There was a snow storm in Cleveland, Ohio,

S. DEALHAM,

The Mayoralty. If the good people of Alexandria are not bored to distraction with the calls and cards of innumerable candidates for office, I would ask their ear for a moment, that I may briefly urge the claims of one of our worthy citizens, whose name appears in connection with the office of

Three candidates are announced for the office -the present incumtent, (Mr. Kemper) Mr. Geo. L. Simpson and Mr. E. E. Downham. The first named gentleman has held the office during several terms; he has given reasonable seti-faction to his friends, and has received ample remuneration for his services. His party has conferred upon him all the honor the office entails. and we think he should now step aside and suifer some other colaborer in conservatism to be honored by his party associates. Mr. K's. duties as attorney at law, commissioner in chancery, notary public, &c., &c., should at least gratify his ambition and yield a handsome support for his family

Mr. Simpson is a very worthy young citizen, much esteemed by his friends, and a consistent party man, but his youthful judgment in public affairs is too apparent to require consideration. He has been most highly honored by his election to the City Council and a seat in the Legislature, and, therefore, really has no claims at this time for the responsible position of Mayor. His modesty should dictate that he wait awhile before asking his fellow cit's us to confer further hon-

ors upon him. Mr. k. E. Downham is well annd favorably known to this community as an active, enterprising business man, who has the confidence and respect of his fellow merchants; he is identified with every enterprise which has been inaugurated in our city since the war; he has been a most active and efficient member of both boards of our City Council, and his legislative experience and leadership have fully fitted him for the important position of Mayor. His age, familiarity with our municipal affairs, business acquaintance and experience, enterprise, industry, integrity and manner certainly confer upon him greater qualifications than either of his competitors possess. His popularity with his con stituents and his well known liberality in political contributions and private charities have have no doubt his claims to their consideration in connection with the office of exe utive of our city government will meet with a hearty recognition at the primary election, to be held on Monday next.

"Kotation in office" is good democratic doc-trine, and the only way in which parties are kept to getner and success assured is by elevating to offices of honor and trust such indefatigable workers and consistent party men as E. E. Downham. [11\*] FIRST WARD. [11\*] Downham.
